

(Call for papers RECOMB-CG 2014)
**The Twelfth RECOMB Satellite Conference on
Comparative Genomics**
Oct 19-22, 2014

Cold Spring Harbor Laboratory, New York

URL: http://meetings.cshl.edu/meetingsregistration_recomb.asp

Venue: Cold Spring Harbor Laboratory, Cold Spring Harbor, NY.

The RECOMB-CG satellite workshop brings together leading researchers in the mathematical, computational and life sciences to discuss cutting edge research in comparative genomics, with an emphasis on computational approaches and novel experimental results. The program includes both invited speakers and contributed talks.

Conference Chairs

Laxmi Parida *IBM Research, USA*
Bud Mishra *NYU, USA*
Gurinder Singh Atwal *CSHL, USA*

Publication & Web Chairs

Filippo Utro
Niina Haiminen *IBM Research, USA*

Steering Committee

David Sankoff *Univ of Ottawa, Canada*
Jens Lagergren *KTH, Sweden*
Aoife McLysaght *Univ of Dublin, Ireland*

The Twelfth RECOMB-CG will be held in Cold Spring Harbor Laboratory, Cold Spring Harbor, New York, USA. We invite high-quality original full papers on topics related to comparative genomics. The submitted papers must have not been published or under the consideration for publication in any other journal or conference with formal proceedings. All accepted papers will have to be presented by one of the authors at the conference. Accepted papers will be invited to be published in the journal BMC Genomics, following the publication policy of the journal. Papers are solicited on, but not limited to, the following topics:

- population genomics
- genome rearrangement
- comparative tools for genome assembly
- gene identification and/or annotation
- comparison of functional networks
 - phylogenomics
 - genome variation
- comparative epigenomics
- genome evolution
 - paleogenomics
- cancer evolution genomics

Submission Deadline: June 27, 2014

Author Notification: July 25, 2014

Final Version Due: August 8, 2014

Poster Submissions: TBA
